

DEPUTY MINISTER KOWNACKI VISITS THE PCO'S BOOTH AT THE MSPO DEFENCE EXHIBITION IN KIELCE

During the MSPO Defence Exhibition in Kielce, Secretary of State at the Polish Ministry of Defence paid a visit to the stand of the PCO S.A company.

Minister Bartosz Kownacki, accompanied by the members of the board of the PGZ umbrella company, got acquainted with the latest products developed at PCO S.A. TSO-1 "AGAT" thermal vision observation system and SCT-2 thermal vision firearm optic caught most of the attention.

TSO-1 "AGAT" device has been designed for daytime, as well as nighttime observation applications, regardless of the lighting conditions, it may also be used in adverse weather conditions. The product is a serious contender in the DEFENDER awards competition.
