

PIT-RADWAR AT THE INDUSTRY DAY

PIT-RADWAR company took part in the Industry Day conference in Warsaw.

The current edition of Industry Day took place on 21 March in the Polish Armed Forces Conference Center. This was the tenth edition of the conference to date. Among the invited guests there were representatives of the Polish administration (government), R&D institutions as well as the industry entities.

The purpose of this year conference was to facilitate the sharing of experience and knowledge related to the defence procurements and the operations of the defence industries.

During the conference, PIT-RADWAR presented its offer of products on the company's stand.
