

PIT-RADWAR INVITES TO THE ENGINEER'S JOB FAIRS

PIT-Radwar company is planning to participate in the 26. Engineer's Job Fairs, which are taking place on 12 March.

During the event, students of the Warsaw's universities will be given an opportunity to learn about the present recruitment campaigns, requirements for the potential employees as well as the employment conditions.

Besides the representatives of the HR department, employees of the R&D department will also be present. They will discuss with the students the specifics of employment in PIT-RADWAR, as well as the projects currently taking place and the possibilities of gaining experience.

The trade fairs are scheduled on 12 March, PIT-RADWAR will be present on the stand F-2.
