

PIT-RADWAR S.A. AWARDED BY THE POLISH PRIME MINISTER

“For the merits in the field of inventiveness” Badge of Honour was presented to PIT-RADWAR by the PM Mateusz Morawiecki.

It was on 30rd May when the Column Hall at the Belotto Hotel became a venue where the “For the merits in the field of inventiveness” Badges of Honour were presented.

According to the PIT-RADWAR company, it has received the award from PM Mateusz Morawiecki for its effort made in the domain of industrial property rights protection and in the area of innovation and development of that area in Poland. The Patent Office of Republic of Poland submitted a request to the Polish PM’s Office (Chancellery of the Prime Minister of Poland).
